

COMPETITION – TERMS AND CONDITIONS

This year we are asking schoolchildren to think about what our friendship means and what we have adopted from the French and their culture and produce a design that we can use to complement our theme “The French Connection” at the Otford Village Fete in May.

Entries should be on A4 paper and commemorate what this year’s events mean to you. Please use the attached form to accompany your design.

The winning design, or designs, will be used on our posters and as part of our Fete map and will become the property of The Otford Society.

The person whose drawing is selected to promote our event will receive a £30 gift voucher.
